

HEALTH & SAFETY POLICY STATEMENT

In accordance with its duty under Section 2(3) of the Health & Safety at Work etc. Act 1974 and in fulfilling its obligations to both employees and the public who may be affected by its activities, the Directors of Watson & Cox Construction Limited has produced the following statement of policy in respect of Health & Safety.

It is our aim to achieve a working environment which is free of work-related accidents and ill-health and to this end we will pursue continuing improvements from year to year.

We undertake to discharge our statutory duties by:

- Identifying hazards in the workplace, assessing the risks related to them and implementing appropriate preventive and protective measures.
- Providing and maintaining safe work equipment.
- Establishing and enforcing safe methods of work.
- Recruiting and appointing personnel who have the skills, abilities and competence commensurate with their role and level of responsibility.
- Ensuring that tasks given to employees are within their skills, knowledge and ability to perform.
- Ensuring that technical competence is maintained through the provision of refresher training as appropriate.
- Promoting awareness of Health & Safety and of good practice through the effective communications of relevant information.
- Furnishing sufficient funds needed to meet these objectives.

All employees on their part are encouraged to contribute actively towards achieving a work environment that is free of accidents and ill health. Our Health & Safety policy will be reviewed annually to monitor its effectiveness and to ensure that it reflects changing needs and circumstances.

This Policy Statement will be reviewed annually.
